

Newbury Roofing Ltd - Website Privacy Policy

This privacy policy notice is for this website; www.newburyroofing.com and provided by Newbury Roofing Ltd, Byeways, Station Road, Speen, Newbury, Berkshire. RG14 1RD and governs the privacy of those who use it.

Newbury Roofing Ltd is committed to protecting and safeguarding your privacy. We will only use the information that we collect about you lawfully (by the Data Protection Act 1998). This policy sets out how we will treat your personal information.

1. What information do we collect?

We may collect, store and use the following kinds of personal data:

- Data about your computer, on your visits to and use of our website, which may include your IP address, geographical location, browser type, referral source, length of your stay and number of page views.
- Information that you provide to us when using our contact form.
- Information that you provide to us when subscribing to our website services, email notifications and newsletters.
- Any other information that you need to send to us.

2. Cookies

Cookies are a kind of short-term memory for the web. They are stored in your browser and enable a site to 'remember' little bits of information between pages or visits.

They are widely used to make the web experience more personal, generally seen as a positive thing. However, some cookies collect data across many websites, creating 'behavioural profiles' of people. These profiles can then be used to decide what content or adverts to show you.

Session cookies will be deleted from your computer when you close your browser. Persistent cookies will remain stored on your computer until removed by you, or until they reach a specified expiry date.

We use Google Analytics to analyse the use of this website. Google Analytics generates statistical and other information about website use using cookies, stored on users' computers. The information generated relating to our website is used to create reports about the use of the website. Google will store this information. Google's privacy policy is available at <http://www.google.com/privacypolicy.html>.

Most browsers allow you to reject all cookies, while some browsers allow you to reject just third party cookies. For example, in Internet Explorer, you can refuse all cookies by clicking “Tools”, “Internet Options”, “Privacy”, and selecting “Block all cookies” using the sliding selector. Blocking all cookies will, however, have a negative impact upon the usability of many websites, including this one.
